

## LEGAL SOLUTIONS FOR YOUR BUSINESS STARTUP

WATSONGOEPEL.COM

### ABOUT US

Watson Goepel LLP is a multi-service law firm based in Vancouver with a second office located in West Vancouver. Our business lawyers have a deep understanding of the issues affecting startups and are dedicated to helping entrepreneurs realize their vision and passion. A strong international network of lawyers and other service providers allows us to help guide your business to the next level.

### YOUR STARTUP AND YOU

Starting and running your own company can be an exhilarating experience – you get to be your own boss and have a direct impact on the evolution of your business. This autonomy comes with an increase in responsibility that can sometimes prove daunting, especially when it comes to the complex laws and regulations surrounding many business decisions that must be made. It's our job to help you find solutions to your everyday business problems.
